

A Touchstone Energy® Cooperative 

## **RATE SCHEDULE 3**

### **IRRIGATION SERVICE**

#### **AVAILABILITY**

Available for irrigation and drainage pumping in all territory served by the Cooperative, subject to the established rules and regulations.

#### **APPLICABLE**

To service under contract for five (5) years or longer, used principally for irrigation and drainage pumping for food production, and to lighting essential to the pumping operation. For such lighting service the member will furnish transformers and other equipment necessary.

#### **TYPE OF SERVICE**

Single-phase, and three-phase at available secondary voltages. Motors having a rated capacity in excess of ten horsepower should be three-phase with starting equipment approved by the utility. Prior approval may be obtained from the utility for the installation of phase converters.

#### **ANNUAL HORSEPOWER CHARGE**

\$16.02 per HP per year

The horsepower charge will be billed in 6 even installments on the May-October statements.

#### **ENERGY CHARGE**

##### **SEASONAL RATE**

May-October statements

4.62 cents per kWh

##### **OFF-SEASON RATE**

November-April statements

5.27 cents per kWh

#### **MINIMUM CHARGE**

\$180.00 or \$16.02/HP, whichever is greater

#### **POWER COST ADJUSTMENT**

The monthly rate is subject to increases or decreases in the Cooperative's cost of wholesale purchased power. Rate Schedule 3 Continued

### **DETERMINATION OF HORSEPOWER**

The horsepower for billing purposes shall be the motor manufacturer's nameplate rating of H.P. output, except that the Cooperative may elect to determine rated H.P. by actual measurements of power input during the period of maximum normal use.

### **TERMS OF PAYMENT**

The minimum charge, and any energy charge, are due and payable upon receipt of billing.

The Cooperative will read meters monthly as conditions allow and the KWH usage will be computed and a statement will be mailed.

Irrigation credits will apply as determined by the Idaho State Tax Commission.

### **INACTIVE ACCOUNTS**

Idle irrigation services during a calendar year are eligible for a credit of one-half the H.P. charge; however, no account shall be charged less than \$180.00 annual facilities fee. The credit will be applied to the account or refunded at the customer's request. The eligibility for the credit will be determined by the Cooperative when the meters are read at the end of the irrigation season.

Effective: October 2009 Billings
